

Detailed Guitar Maintenance Checklists

Each checklist is designed to be a practical, step-by-step guide for maintaining your specific instrument. You can use these downloadable copies to ensure your guitar or ukulele stays in top condition.

1. Acoustic Guitar Maintenance Checklist

Daily:

- ☐ Wipe down the strings and body with a clean, dry cloth after each playing session.
- ☐ Check the tuning and make minor adjustments as needed.

Weekly:

- ☐ Inspect the guitar for any signs of wear or damage (e.g., cracks, dents, loose hardware).
- ☐ Lightly clean the fretboard and body with a soft cloth.
- ☐ Monitor humidity levels where the guitar is stored, ensuring it stays within 40-60%.

Monthly:

- ☐ Deep clean the fretboard using an appropriate fretboard cleaner.
- ☐ Condition the fretboard if it's made of rosewood or ebony (skip if maple).
- ☐ Check the condition of the strings; replace them if necessary.
- ☐ Inspect and tighten any loose hardware (tuners, strap buttons, etc.).
- ☐ Clean and polish the guitar body with a guitar-safe polish.
- ☐ Check and adjust the truss rod if needed.

Yearly:

- ☐ Schedule a professional setup to adjust the truss rod, action, and intonation.
- ☐ Perform a full inspection of the guitar's structural integrity.
- ☐ Clean and condition the fretboard thoroughly.
- ☐ Replace the bridge pins and saddle if they show signs of wear.
- ☐ Ensure the humidity management system (e.g., case humidifier) is functioning well.

Storage:

- ☐ Store the guitar in a hard case when not in use.
- ☐ Use a humidifier or dehumidifier in the case if necessary.
- ☐ Avoid storing the guitar in direct sunlight or near heat sources.
